ACQUIRE

NO. OF ENCLS.  
(LISTED BELOW)

CIA Library

DATE OF

25X1X

SUPPLEMENT TO  
REPORT NO.

25X1A

1. Previous reports of a poison gas factory in Jajce or its environs have been reconsidered in the light of newer evidence and are now considered to be false.
2. There is only one factory at Jajce and it is considered extremely improbable that gas shells are being made there. The factory produces carbon tetrachloride from alcohol and chlorine and presumably caustic soda.

25X1A
